The Knight of New Knight

第四卷五期：不要忘記吃早餐。  
第四卷六期：絕對不可以放縱，尤其是在老練面前。  
第四卷八期：不要把死亡騎士交給家庭。

你怎麼能說不愛他呢？  
戰時他總是先衝到最前面，把敵人殺得片甲不留。  
這到底是為了什麼？  
他卻又說不愛他，工作不會只靠一件。  
他怎麼能說不愛他呢？他生來就是為了保護他的家。  
這到底是為了什麼？

「不愛他嗎？那他就不是我的家了。我一輩子都不放棄！」

Is Sun really  
Supreme Dragon?

HEY  
I NEVER  
SAB ON  
WAS SUPRE-  
ME DRAGON,  
AND I WILL  
WHEEL ABOUT  
THAT  
SUPREME  
DRAGON  
IS ONE.

The Sun Knight's  
swordsmanship  
has always been  
so lousy that the  
original fencing  
method is almost  
unrecognizable,  
but surely it  
can't fool  
Blaze...

Q & A

But he really has gone too far this time. He actually used *macromancy*! Shouldn't we discourage him?

Even if he were, my advice would be to *pretend* that he is not.

EVER  
EVER...

MAH!! HE SHOULD HAVE BEEN MORE SERIOUSLY, HE SHOULD BE, FROM HIS VERY OWN GREAT ATTEMPT! NOT JUST AN ADVICE! NOT ONLY!

At least we should discourage him from learning advanced *macromancy*.

Oh, *pretend*! You know how much fun *macromancy* is! Fighting with a sword.

If you really forbade him from using *macromancy*, he'd probably be offed in two right away.

You have a point there...

**Silence** ...

**Clatter!**

May  
you all be  
blessed in  
the conver-  
sance of the  
God of Light,  
my dearest  
fellow Holy  
Knights.

—  
Come  
in.

Gan is  
extremely sorry  
to interrupt your  
secret meeting.  
To disrupt your  
communication  
and exchange of  
ideas is truly an  
unforgivable  
sin!

However,  
Gan really  
feels obliged  
to share with  
my brethren  
a miracle  
granted by  
the God of Light.

**Apologetic  
expression**

Oh!  
it's such  
a pity that the  
Resurrection  
Spell is a highly  
unstable kind  
of sorcery. One  
really does not  
know when it  
will succeed  
and when  
it will  
fail!

If a certain  
brother lost his  
chance to live  
because the spell  
went wrong for  
some 'unfathom-  
ably reason',  
San would be  
distraught.

San has just  
been blessed by  
the God of Light  
and has finally under-  
stood the secret behind  
the Resurrection  
Spell. How! Even the  
Cleric the Pope  
cannot help but  
rejoice!

Resurrection Spell GET!!!

SILENCE

San has  
finished  
storing his  
joy, so I shall  
leave you all  
to your discus-  
sion on the  
benevolence  
of the God  
of Light.

Now a  
pleasant  
discus-  
sion.

In addition, he has mastered the Resurrection Spell, which even the Pope has trouble with. And he's an expert of divine magic, sorcery and necromancy.

Then he's got a teacher who's known as 'the strongest Sun Knight in History' as a supporter, not to mention his other teacher who's no doubt a **legendary**...

Oh, and while we're at it, he's probably also buddies with a **Devil Lord**.

Just now...

was that a **brill**?

No! That was a **blast**!

Here's a word of advice. Our Sun Knight has the nerve to **plot the downfall** of a king. Do not get on his bad side if you don't have a status higher than that.

Have you forgotten what our teachers taught us all throughout our childhood, **Earlie**?

**Dominiku** is he a Sun Knight or the Devil himself?

His extraordinarily **heavy** Overblaze... that really is a stroke of good fortune.

Child,  
when you acci-  
dentally discover  
the imperfections  
of the Sun Knight,  
unless you want to  
have a first-hand  
experience of his  
imperfections,

you'd better  
dutifully  
admit he  
is perfect.

Remember,  
no matter what  
or when or where,  
the Sun Knight is  
always perfect!

The Most Important Duty of the Sun Knight

This is the first leisurely afternoon I've had since the Death Knight Incident.

Content ~~~~~

Ahh!

Basically the plan worked out in the end.

I forced the Death Lord's entry to heaven and kicked that pig off the throne.

become a Death Knight and then evolved into a Death Lord along after the Festival of the King begins.

Honestly don't know where the source of putting my self in front of the Pig came from!

To think that Roland my old good friend and the most popular out of all the <sup>most</sup> San Knight <sup>was</sup> <sup>was</sup> a candidate for back then died.

Dice - Captain  
of the Sun Squad -  
*Adair*

Has  
Rider come  
to discover the  
benevolence of  
the God of Light  
with Sun because  
of an inspiration  
sent by the  
God?

I wonder  
how Roland's  
doing at Pink's  
place.

CAPTAIN!  
THIS IS REALLY  
BAD! THE NUMBER  
OF OUR BELIEVERS  
IS DECREASING  
DRASTICALLY!  
THEY'RE ALL  
CONVERTING TO  
WORSHIPPING  
THE GOD OF WAR  
AND THE GOD  
OF CHAOS!

SLAM

BOOM!!

CAPTAIN!  
CAPTAIN!  
THIS IS  
BAD!

But the  
Temple of  
Chaos is all  
the way in  
Kiesinger  
so why

The largest base of the  
Temple of War is Moon  
Orchid, which is right  
next to Forgotten Echo.  
It actually is possible  
for our believers to  
be pulled over to  
the other side.

Isn't introducing the believers' faith your most important duty, Sun Knight?

Sun-knight

I swear by the God of Light, Sun has always been trying his best to carry out this duty...

WAAAAA

Captain Subconsciously, I feel like he is disrespectful.

TRYING YOUR BEST? THE NUMBER OF OUR BELIEVERS IS PLUMMETING AND YOU'RE STILL HERE SIPPING TEA! HOW IS THIS TRYING YOUR BEST?

Get up, Grissur! It's  
your turn to conduct the  
Hymning today. Get  
up!

Don't  
worry.

Yes?

Judge?

He is the  
one just a  
moment!

You're  
finally  
awake!

My vice-  
captain?  
Right? Oh, you  
know how  
reluctant  
he is!

He was the  
complete opposite  
in my dream.

Your  
dear vice-  
captain re-  
fused to come  
in even when  
he couldn't  
make you from  
outside your  
room.

Stop it...

Judge...

Don't  
close...

Oh... That's  
best giving me  
a headache too!  
You know, I don't  
really pay much  
attention to what  
my squad's doing.  
I leave it all to  
Rabin!

Yawn...

You make  
that kind of  
person your vice-  
captain. No wonder  
your Gun Squad  
is always stir-  
ring up trouble  
everywhere.

Three days ago,  
they surrounded  
and assaulted the  
third son of Earl  
Ceylan. The Earl  
was furious and  
he took the hint  
to the Crown  
Prince.

BAED

You really  
should get  
ready. The  
barraging will  
begin soon.  
You have 30  
minutes to  
prepare.

Hee-  
ing...

Anyway,  
don't forget  
Earl Ceylan's  
son again. That'll  
put the Crown  
Prince in a  
difficult  
position.

Yes,  
it's bad  
to my  
squad.

**WIDE  
AWAKE  
!!!**

*Every Sunday  
in the Temple of  
the God of Light, the  
Twelve Holy Knights  
take turns leading the  
"Hymning", a ceremony  
held to pay homage to  
the god. It's basically  
having priests ramble  
about the benevolence  
of the God of Light and  
the goodness of the  
Twelve Holy Knights'  
past deeds, and leading  
everyone in singing  
hymns.*

**ARGH!**

SO...  
IT IS MY  
TURN TO  
LEAD THE  
HYMNING  
THIS SUN-  
DAY?

Then  
lost, but  
not lost,  
asking  
people to  
donate  
money...

Absent

**WHAT?  
ONLY 30  
MINU-  
TES?**

HOW COULD 30  
MINUTES BE ENOUGH  
FOR ME TO BRUSH  
MY HAIR, APPLY A  
FACIAL MASK, BOIL  
WATER TO IRON MY  
CLOTHES, POLISH MY  
SHOES TILL THEY  
SPARKLE...

Now that  
you've finally  
realized it,  
hurry up and  
get ready. You  
still have 30  
minutes. That  
should be  
more than  
enough.

**BOUNCE UP**

Judge's traumatic experience  
with 'applying a mask'...

If that's  
the case, then I'll  
leave you  
to it.

Seriously,  
what's so  
frightening?  
I only use  
pink masks  
now!

Last  
time  
it was  
green.

25 minutes later...

Clatter!

Alone.

You sir,  
Captain  
Gur  
Knight.

Rider! The God of Light has taught us time and time again, that no matter how deeply a person has sinned, as long as he has the will to repent, we must forgive and accept him with a kind-hearted heart.

That is the benevolent way of the God of Light. Do you understand, Rider?

Words have come to Ruler that you committed an act of violence towards the third son of the God of Light.

Violence is not something that pleases the benevolent God of Light.

BUT HE STABBED NOWAY THE SHED BACK IN THE EXECUTION STEP PLANNING THE SUN KNIGHT IS AN UNFORGIVABLE CRIME

Rider

Under-stand, we will first put a mark over his head so that he won't experience being torn down by the Sun Knight.

WdY

WdY

You still don't understand, Rider. The Sun Knight must always do things in the name of the God's benevolence and avoid violence.

Under-stand, I will beat him till he regrets.

I'm sorry I can't help you

Completely satisfied

Yes, or I'll go  
and you'll see  
you'll be a  
blueberry-flavored  
milkshake and you  
should see the  
same honey  
bought last!

MOD

Even the  
milk must  
be as sweet as  
honey! Thank  
the God for  
granting people  
moments and  
nourishment.

The God's love  
irradiates every  
inch of the earth  
under His gaze.  
The blueberries  
must be lush  
and the wheat  
thriving.

Oh, Adair!  
My dear Adair!  
How are you  
so close to  
really deserve  
to be my hand-  
picked Vice-  
Captain?

Oh, the  
other  
members  
of the  
Star  
Force.

!!

I can have  
breakfast  
before going  
to the Heralds!  
After all, for  
nothing more  
than a decoration,  
the real heads of  
the ceremony are  
the prayers from  
the Light Temples.

Adair, even  
I can't express  
myself so  
perfectly and  
succinctly. Really,  
Adair, as a  
Captain, what  
more can I  
say for when  
I already have  
a Vice-Captain  
as good as  
you...

Can you  
put a sack  
over that  
beard and  
lead the  
way out of  
here till the  
sack is open  
for me to  
speak when  
the matter is  
reported!

Touched~

You! Is  
it not our  
brightest  
and most  
blinding  
Sun  
Knight?

How come  
you're still  
here like a  
pillar blocking  
everyone's  
way?

You! A  
luminous  
pillar! All  
sparkly and  
glittery and  
pretty!

Band Tei Faction

Metal Knight

Even our brilliant and great knight,  
Metal Knight, has been taken away  
from us. We are all very sad and  
miss him very much. We hope he  
will come back soon.

uh?

Don't you know that today's Hymning are held as the overture of the coronation of the new king, Captain Sun

all the members of Kingdom?  
The tablet that brought used to be present. Sun I have to come

Overture of the coronation of the new king? How come I was not aware of this?

You're sure you're not complimenting me, right?

If you really want to spite me, you should at least say, "Wow, your hair is yellow like the colour of frog poop." You're certain you haven't rubbed frog poop instead of hair balm onto your head?

You even  
picked the hardest,  
highest-pitched, 30-  
minute-long Song of the  
God of Light. Everyone's  
really looking forward  
to your performance  
because this song  
haven't been sung  
in 20 years.

...Yeah! As  
for tradition,  
aren't you and  
the Judgment  
Knight cook  
responsibly for  
singing a solo  
every time a  
new king is  
crowned?

Good morning,  
Captain Sun Knight.  
Thanks for your hard  
work at today's  
Solo Singing  
in advance.

**SOMEBODY  
MUST BE  
SETTING  
ME UP!!!**

Twit!!

Twit!!

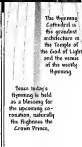

Fine. Let's head towards the Hymning Cathedral!

It started at the very centre of the first row.

The soon-to-be His Majesty the King.

The Hymning Cathedral is the grandest architecture in the Temple of the God of Light and the venue of the yearly Hymning.

Since today's Hymning is held as a blessing for the upcoming coronation, naturally the Highness the Crown Prince,

The general public is pretty much all standing at the far back.

The rest of the seats are filled by aristocrats and royal knights.

Why is that so?

The really excited about this hearing. The Sun Knight will be singing the song at the end of Light!

Because it is the hardest and the highest-placed song ever. Not to mention it takes for 50 minutes!

The "Song of the God of Light" this song hasn't be heard at the Hearing for 200 years!

Huh? Even you can't sing the Song of the God of Light without ever practicing? Sun Knight! Surely you're right for putting up my son!

The Sun Knight's reputation is indeed very important if the much-maligned last-year-200-year-old Song of the God of Light is removed from the program at the end of Light. His reputation will surely take a little plunge.

Just watch  
songs, Sun.  
They only  
want to  
humiliate  
you a little.

It'll be a  
true disaster  
if you reject  
that song  
and ruin the  
Humming.

*Warm smile~*

Humiliate me?  
Are you kidding?  
I am the Sun  
Knight. The Sun  
Knight has to  
be extremely  
graceful even  
when he trips.  
How can I be  
humiliated?

If my teacher  
knew I was  
humiliated in  
front of the  
entire coun-  
try, I tremble  
at the very  
thought of  
what will  
befall me!

We could  
try not  
draw attention  
the audience  
watching  
our story  
this night  
moment.

Brother  
Storm, under  
the blessing of the  
God, Sun believes  
that he is absolutely  
capable of finishing  
the Song of the God  
of Light and pay  
tribute to the His  
benevolence and  
abundance.

'Humming'  
is basically  
channeling the  
energy of Holy  
Light into songs  
for different  
purposes.

Uplifting songs  
can encourage  
people. War songs  
can strengthen  
soldiers' fighting  
powers. Lullabies  
can sooth people.  
Light-hearted  
songs can cheer  
people up.

According to  
certain rumours,  
proper Hymn-ers  
can coerce sinners  
into repenting  
simply by  
singing.

Oh no!  
You also  
have to sing  
a hymning with  
the rest of the  
Twelve Holy  
Knights for  
about 10  
minutes first  
before your  
own solo.

Don't be  
mislead, the  
The Song of the  
God of Light isn't  
a song that can be  
sung without practice  
 beforehand. Plus, Hym-  
ning costs an enormous  
amount of Holy Light.  
Even priests can't  
withstand 30 minutes  
of burning up Holy  
Light non-  
stop...

for a  
regular holy  
knight! But a holy  
knight who could  
become the most  
powerful Pope  
in history can  
handle this  
perfectly!

Burning up  
Holy Light  
for an entire  
40 minutes?  
That's con-  
stantly a bit  
too much.

Sun,  
just...

WAA  
AH!!!

GRIEF  
UP...

?

**Warm Kind Faction**  
**Cloud Knight**

Everyone on the Continent knows  
Drifter, Autophyle

Thank you, Brother Cloud, for your kind reminder. It must be the will of the God of Light to needed Sun through my brother's mouth, that darkness is not a respectable behavior.

...four...

Captain Sun Knight, the meaning is about to begin...

Let's just hurry to the stage and start the howling...

Disappeared...

at an occasion  
as important  
as the heralding of  
the new king's  
coronation. It's a  
sign of respect.

Since Jaggotten Echo  
is the main base of the  
Temple of the God of  
Light, it's only natural  
for the Tactica Holy  
Knights to be  
present.

We say  
Twelfth Holy  
Knights' but  
actually there're  
only eleven of  
us here.

THOUGH  
HE'S THE  
ONLY HOLY  
KNIGHT  
WITHIN THE  
CRUEL SIX  
FACTION  
UNDER MY  
COMMAND,

THAT'S  
BECAUSE  
THE TWELFTH  
HOLY KNIGHT,  
HELL KNIGHT,  
SPECIALIZES  
IN ESPIONAGE,  
AND HAS NEVER  
MADE A SINGLE  
PUBLIC AP-  
PEARANCE.

HE HAS  
NEVER  
CON-  
TACTED ME  
BEFORE...

As all his  
orders come  
directly from  
the Pope.

Why is that old  
geezzer always  
hiding behind a  
wall, being all mys-  
terious...

But that  
damn old  
geezzer won't  
dare lay a  
finger on my  
Holy Knight.  
I think?

The song of  
ancient Taberah  
somewhat resembles  
both the melody of  
light and the song  
it is so beautiful  
that people's  
hearts will melt  
all the time. @  
Hana: 100%

To celebrate the  
Day of the God's  
Descent, a Great  
Feasting is held  
every year. After  
a song sung by  
the Twelve Holy  
Knights, the Judgment  
Knight begins his job  
using his super ball  
voice!

It looks like  
about 1000  
years.

The Song of the  
God of Light  
won't be over  
!!! 30 minutes  
later -----

*Light emerges,  
Shattering  
Darkness.*

*A ray of light  
shines down, Bringing  
endless hope...*

*Whoooo-!!!*

Chapter 14  
The Undead Tour Group

**Extremely  
satisfied**

*Long live  
the Sun Knight!  
Long live the  
King! Long live  
the God of  
Light!*

What a  
splendid tale  
on the Song  
of the God of  
Light. He ex-  
pected of the  
perfect Sun  
Knight.

I hereby  
dedicate this  
song to the  
soon-to-be His  
Majesty the King.  
Under your wise  
rule, Forgotten  
Echo will definitely  
be blessed by the  
God of Light and  
enter a new  
golden era.

*Yea! Yea! Chant,  
"Long live the King  
a couple more  
times! That'll please  
the Crown Prince!*

*See how he  
still said I was  
perfect even after  
I screwed with  
his dad. Just that  
was enough boost  
to his ego.*

Wobble...

Err... which basically means 'inspection of the New King'.

Now, it's time for the Parade.

ARE YOU ALL RIGHT?

Of course he's not all right after burning up that much Holy Light. Keep him on his feet, Leaf!

WOW...

L

I'M STARVING TO DEATH!

SUN!

Adair

What a beautiful smell!

Cruff

Cruff

Red

Rising Sunset

Blowing Scent

GUMBI

No need to call for your vice-captain. You can lean on us.

The Parade is about to start. Come on.

Adair~  
My  
BREAKFAST!

You okay?

Flutter...

As per  
tradition,  
the future  
King will  
walk  
around  
the city  
once.

Flutter...

The  
Twelve Holy  
Knights have  
to follow him,  
and as the  
Sun Knight,  
I also have to  
keep smiling  
and waving  
the whole  
time.

Testing not  
to smile

Probably  
probably  
leave the  
corner of his  
mouth

I want to eat  
a blueberry  
sandwich. I  
want to eat  
honey blue  
cuffs. I want  
to drink  
milk.

Wow...

No! I'm  
starving.  
I'm dying  
of hunger.

*At this  
speed, I'm  
afraid I'll fall  
off my horse  
before we  
finish walking  
around the  
city.*

Endure it  
for now.  
You can  
eat very  
soon.

Can you  
chat with  
me?

What a  
gorgeous  
marshmallow.

Cloud

Strawberry  
ice cream!!  
And green  
tea cake!!

Chocolate!!

blueberry  
slushie—

Surf you  
okay?

What  
a rosy,  
plump  
tomato!

My  
TONGUE!  
You  
ASSHOLE!

Flu...

I'm so  
hungry  
that I start  
seeing people  
as food. Why  
didn't you  
throw the  
tongue at  
me?

Why  
did you  
throw it at  
Jaden? Why  
didn't you  
throw it  
at me?

Sun  
Knight,  
please...

Sun  
Knight? What  
do you  
think?

Hungry...

NEXT  
TIME  
THIS WILL  
BE YOUR  
FATE...

...Shit. I  
went into a  
trance!!!

Sun  
Knight, how  
long does  
it take you  
to come up  
with a name?  
Please stop  
wasting my  
time, would  
you?

Huh?

which means  
they probably want  
me to christen this  
child. This is quite  
common. So common,  
in fact, that every  
time I see a baby  
I have an urge to  
give it a name.

Judging by  
the situation,  
Lexus just  
mentioned  
"come up  
with a  
name"...

May your  
daughter  
grow up  
to be as  
sensational  
as beautiful  
flowers.

Let's  
call her  
Hungry!

HUN-  
GRI!

Hungry!

what a  
wonderful  
name!  
Hungry!

Their  
child is  
a boy,  
not a  
girl...

Why are the parents'  
expressions so weird?  
Are they not satisfied  
with this name?

Let's go back to the "Glorious" incident.  
I'm not sure if you really understand the situation.  
So I'll tell you the story of the "Glorious" incident.  
The incident of the "Glorious" incident.

I saw  
scratching the  
floor.

What are  
you doing,  
Roland?

SCRRRRING  
YOUR ASS!  
YOU ARE A  
BLOODY  
DEATH LORD!  
THE LEADER  
OF A BLOODY  
UNDEAD  
ARMY!

YOU SHOULD  
BE OUT THERE  
CREATING A BLOOD-  
BATH FROM THE  
EAST STREET ALL  
THE WAY TO THE  
WEST STREET AND  
BACK TO THE EAST  
AND TURNING  
RIVERS CRIMSON  
AND LITTERING  
THE GROUND  
WITH CORPSES!

TABLE  
FLIP!!!

GRR~  
GRRRR~

But  
you are the  
Sun Knight,  
Gertie.

What a  
glorious  
spook this  
is! A Death  
Lord obediently  
scrubbing the  
floor and the  
Sun Knight  
crawling a  
bloodbath.

JUN, I'M  
WARNING  
YOU. IF YOU  
DON'T GIVE  
ME BACK  
MY LOLLI-  
POP,

I'M  
GOING  
TO MAKE  
YOU SUFFER  
A PAIN  
WORSE  
THAN  
DEATH!

I'll  
give you  
as many  
lollipops  
as you  
want!

So, the  
lollipop?

Yes!!

front  
sold  
be making  
strawberry  
dustless  
next time.  
Do you  
want me to  
bring you  
corral?

**Dead  
serious!**

*Dying is the  
best way to  
determine the  
true owner of  
the lollipop!*

Go  
you...  
will not  
die?

Why  
would  
we be  
dying?

*In Roland  
taking things  
even more  
seriously than  
when he was  
young?*

We  
were  
kidding!

*What a  
joke! The Sun  
Knight and a  
necromancer  
dining over a  
strawberry  
lollipop!*

**I HURT!  
I JUST ABOUT  
NEARLY CALLED  
IT THAT THE  
PUNK WAS  
FURRY AND  
HE STARTED  
SLAMMING IT  
BY HIMSELF!**

Why did you  
ask Roland to  
scrub the floor,  
Pierce? He's a  
Death Lord,  
not a cleaning  
corpse that you  
can summon  
like a piece  
of cake.

.....

Stk

Might  
one or two  
hundred  
times...

*I just know  
Raimond just isn't  
the kind of guy to  
easily pass up practicing  
swordsmanship for  
other things.*

Roland...

*He may have escaped being  
barbecued by the Temple, but to be  
cooped up in this little house to-  
gether with a necromancer who can  
chant something five hundred times  
just to get him to scrub  
the floor...*

*Perhaps being  
barbecued would  
have been more  
preferable  
to him...*

Pink.  
Give  
Roland  
the Ring  
of Life I've  
used last  
time.

I'll cover up  
his dark aura  
with Holy Light.  
That should allow  
him a little closer  
to the street.

Sure!  
You're  
coming  
with me  
too!

After  
transformation...

Went  
incognito  
using the  
Sacred  
Dragon  
Mail

Changed her skin tone back  
to its color of normal flesh  
and put on a sorcerer's robe

Changed into  
his own clothes

Compared  
the most normal  
person out of the  
three but now  
I look the most  
abnormal

How does  
a Sun Knight  
like you count  
as normal?

Roland  
is the eldest  
brother. He's  
a warrior.

"We could say he's a knight, but people might ask, 'Where's your lance?' He can't just summon a phantom lance there and there, right? So let's just say he's a warrior to keep things simple."

Here... We  
can pretend  
to be three  
siblings away  
from home  
on an ad-  
venture.

This is  
just a little  
outing, but  
just in case  
let's get  
our story  
straight.

Pink is the  
youngest  
sister, a  
sorcerer's  
apprentice.

"Pink is actually an action  
star that flies around  
all together. And this old guy  
is playing my little sister."

On the  
younger  
brother,  
people will  
know. It's an  
assault as  
soon as they  
see my light  
suit and  
mask.

Why are I the proper brother  
when the actually sister that  
Roland is more than a sister?

Because you're older than  
him, weaker than him, and  
less dependable than him?

Why do I have  
this sudden  
feeling that I'm  
leading a tour  
group and a  
tour group  
of undead  
creatures  
at this...

Death  
Lord

Death  
Lord

Oh, someone is  
staring at me.  
I can feel a lot  
of attention  
on myself.

Perhaps we  
have already  
been discov-  
ered. Let us  
hurry back to  
the house.

Blow X 1!

ATTENTION

Attention

Attention

Close up,  
San Tsupreme  
Dragon! You're  
attracting a lot  
of attention too

I couldn't  
attract  
even more if  
I wasn't  
wearing  
a skirt!

Don't worry  
The attention  
comes from a  
bunch of women  
yearning at a  
handsome guy

And,  
and a few  
priests are  
peeking at  
you around  
the corner!

Some  
knights  
on the right  
are staring  
at you as  
well.

Look,  
General  
Holy  
knights on the  
left are  
talking about  
you.

So that's  
why! I was  
just wonder-  
ing how come  
only men are  
looking at  
you.

I thought  
Bakard  
attracts  
women  
and you  
attract  
men!

That's  
because  
my attire  
is just too  
mysterious!

Blow X 2!

# DEFENDED

DO... YOU  
BELIEVE  
ME WHEN I  
SAY I KNOW  
WHERE YOU  
KEEP YOUR  
SECRET  
STRAWBERRY  
LOLLIPOP  
STASH?

THEN DO  
YOU BELIEVE  
ME WHEN I SAY I  
CAN PERMANENTLY  
TURN YOUR HAIR  
BLACK WITH OCCA-  
SIONAL STRANDS  
OF SILVER?

I dare you  
to try. But  
know that you  
will never eat  
Frost's  
strawberry-  
flavored des-  
serts ever  
again!

DAMN  
YOU! YOU  
DESPICABLE  
SCUMBAG!

DAMN IT!  
I WON'T BE  
UPSTAGED! SACKED  
DRAGON MAIL, I'LL  
EXCHANGE TWO  
HUNDRED GRAMS  
OF BLOOD FOR  
A DAGGER!

Why are  
you back-  
ing off,  
Kobalard?

*Kobalard*

.....

**Dead  
serious  
!!!**

This is good.  
Do not waste  
time on petty  
arguments and  
let the seconds  
in your hands  
distinguish be-  
tween right and  
wrong. Such is  
the way of  
Kelpie.

You and  
Pink. You two  
have already  
entered a  
combat stance.

So that  
I will not  
disturb  
your  
duel.

**WHAT?  
WHO'S  
DUELING?**

**Kahahahaha!!!!!!**

Swords  
in hand

**FEELS  
LIKE  
CRYING**

Indeed.  
In all my  
two thousand  
three... three!  
In all my many  
years I have  
never been this  
embarrassed.

In all my  
twenty-three  
years I have  
never been  
this embar-  
rased.

Lucky,  
they don't  
know I'm  
the Son of  
Bright...

WHAT'S  
GOING  
ON  
HERE?

Ta  
ta  
ta  
ta!

Phew...  
Looks like  
we managed  
to muddle  
through...

*If it be fate,  
Roland is destin-  
ing with Holy  
Light. I've made  
sure that we've  
fought in a com-  
pletely air-tight  
and not a single  
drop of dark  
aura can pass  
through!*

THE  
SUN  
SQUAD  
??

*Hey, hey!  
Roland,  
you're  
supposed  
to be a  
warrior!*

**Straight-  
forward!**

No,  
I am a  
knight.

Are  
you  
a holy  
knight?

*Humph...*

Really?  
Then why  
are you  
wrapped  
in Holy  
Light?

*Patter!*

You're  
wrapping  
yourself in  
Holy Light  
because  
you're  
hiding  
something.

Such as a  
dark aura.  
And things  
that give  
out a dark  
aura are  
usually  
bad.

Such as  
undead  
creatures.

*What's  
that? They  
noticed  
I was  
wrapping  
myself in  
Holy Light  
and  
thought  
I was  
young. Is  
that  
good  
or  
bad?*

How about believers of the God of Chaos?

So you're saying the Dark Knights of the God of Chaos are bad?

*Dark Knights? Ha! That's what! How could I have forgotten that the only Knights who give out a dark aura are the Dark Knights serving the God of Chaos?*

Because many idiots believe that everything emitting a dark aura is undead!

You're a Dark Knight? Then why are you hiding your dark aura?

Thinking...

— Please  
remove  
the Holy  
Light.

SHIT!!  
THAT'S  
THE SWORD  
ROLAND  
USED TO  
HACK  
ME!!

Ehm?

You can go.

Thank?

Adair will definitely recognize the person who betrayed his captain. I must think of a way to get us out of this...

I gave them an important mission?

No need. Let's go. Finish the patrol quickly. We still have to carry out an important mission given by the Captain.

Is this okay? Should we ask Captain to come and make sure?

So, we  
came out  
today for  
school.  
Let's see  
where he  
wants to  
go.

Sure,  
should we  
follow  
them?

Oh?

Ah

Let's go  
shopping  
then!

This is  
really  
pretty!

This is  
so good!

Look!  
Look!

**Pink**  
is pulling  
you around  
by the  
nose...

**Roland...**

NO,  
WE HAVE  
TO GO TO  
THE SWEETS  
SHOP! THE  
SWEETS  
SHOP!

I'll take  
you to the  
raspberry  
shop.

Yuck...

**Disap-  
pointed...**

... Do you have any-  
where in particular  
that you want to  
visit, Roland? I can  
take you anywhere  
other than the  
Temple of the  
God of Light!

*So you  
really want  
to visit the  
Temple?*

*Shakes  
head...*

*Thinks  
Thinks*

*Then check out  
some sweets at  
the temporary  
stand*

*Let your  
measurements  
first*

*Then I'll take  
you to buy  
some clothes.  
You should get  
a new sword  
too. Your own  
sword is too  
ostentatious  
and will give  
you away.*

*Full of sweets*

Last! You  
were perfectly  
fine last time  
after bleeding  
that much.  
You're even  
harder to kill  
than undead  
creatures...

Next time!  
My camouflage  
tong is almost  
up. I'll be sucked  
dry by the Sacred  
Dragon Mail if I  
keep this up.

Just for  
a little  
while!

The  
doll shop.  
Let's go to  
the doll  
shop!

Getting  
some fresh  
air is already  
good enough.

We  
don't have  
enough time  
today, Roland.  
I'll take you  
somewhere  
interesting  
next time.

.....

*I honestly don't know whether I took a stroll with Roland or with Pink today.*

*I really should think about where to take Roland next time so he won't feel bored.*

100

*Shit  
I forgot to  
remove my  
camouflage!  
And I started  
smiling out  
of habit.*

... Why are people looking at me funny?

*Ta ta ta ta ta ta...*

*What  
was the  
important  
mission that  
they just  
talked  
about?*

*But then  
again, since  
when was I  
a good  
Captain?*

*No! As a  
good Captain,  
I shouldn't  
concern myself  
on my sub-  
ordinates' private  
matters.*

 rule 15

**Vice-Captain of the Sun Squad**

*I will be a member of the Sun Squad, directly under the Sun Knight's command!*

*My name is Adair. From this day onward,*

he's 18 years old, but came up as 19.

*We will be meeting the future Sun Knight, the man who will one day be the leader of the Twelve Holy Knights of the Church of Light, and our direct commander!*

# Neo Sun

*This is the  
incumbent Sun  
Knight. He is both  
graceful and chivalrous.  
My admiration for him  
is the main reason why  
I joined the Sun  
Squad.*

*Sadly, I was born  
too late to be part of  
his Sun Squad...*

Is that  
him?

Very  
emotional!!

*Dear Lord! He  
is the spitting  
image of "the Sun  
Knight in the  
Legends"!*

*Hair gleaming like  
molten gold, blue eyes  
as deep as the sea,  
skin as pale as snow, a  
smile as blinding as  
the sun in the sky, and  
a demeanor as elegant  
as that of a prince...*

*But the one  
standing right before  
me is completely  
identical in every  
single way!*

OH, I  
must be the  
transcendence of  
the God of Light  
that has brought  
my brethren to  
Gratia so that we  
can learn to rely on  
each other and  
strive to create a  
brighter future  
for the people of  
the God of  
Light.

*Even the  
incumbent  
Sun Knight  
looks a bit  
different  
from the  
one in the  
Legends...*

*The Sun  
Knight  
whom  
we will  
serve!*

*And  
he is...*

*Luckily,  
this tavern is  
constructed  
of wood. I can  
poke a hole  
and spy on  
my target  
members.*

*Down  
it... The  
first  
member  
goes!*

*Attack?  
Attack  
when?*

*What  
should we  
do, Akira? We  
never found  
the chance  
to attack!*

Or I will you to jump off a cliff.

You jump off a cliff.

Or I will push you off the cliff.

And shove a giant rock down  
there to keep you company!

No, Captain  
entrusted this to  
us, so we must see  
it through no matter  
what. Or have you  
forgotten the very  
first thing Captain  
taught us?

"Should we  
report this  
to Captain?"  
He probably  
didn't know  
about this...

WELL  
SAID

Remember  
back then, Captain  
smiled so radiantly  
at everyone, and  
we thought he had  
such a nice temper  
that he wouldn't be  
mad even if you  
stomped on his  
head twice.

We learnt  
the truth, soon  
enough, that  
you're dead  
meat if you  
aren't humble  
enough to let  
him stomp on  
your head  
twice.

*That's a whole load of bullshit. I'm not interested in stomping on people's heads!*

*Ed, huh? You watch out. I'll remember you!*

He's also a bit strict to people who've provoked him...

Don't say that. Captain is just a bit strict to us...

Freeze...

*Yes...*

Indeed.

...All right.  
He's also a bit strict to  
people who may poten-  
tially provoke  
him in the future.

But that  
said, it is  
undeniable  
that Captain  
is extremely  
loyal!

*No ha. Luckily  
you guys agreed.  
Otherwise...  
Humph! How dare  
you gossips behind  
my back! You'd  
better watch  
out, 'cause I'll  
remember this!*

TO  
THINK  
HE'S A  
HIGH-  
RANKED  
KNIGHT!

**Slam!**

STILL,  
THAT JACQUES  
IS SUCH A  
COWARD! HE  
DIDN'T EVEN  
HAVE THE  
GUTS TO  
ACCEPT  
ADAM'S DUEL  
CHALLENGE!

Why  
was I  
even  
sent out  
of a  
kitchen?

Let's  
check the  
windows.

*Could he be Adair's enemy, so Adair's using my position to order the Sun Squad to fight him?*

*Jacques? Who's that?*

*The Temple of War? You guys got mixed up with the Temple of War, whose main base is in another country?*

Isa! Adair, are you sure Captain knows that Jacques has hired people from the Temple of War as guards?

*Helpless...*

*Hang on, I don't even know who this Jacques guy is, and I don't remember ever giving any order that has anything to do with the Temple of War!*

I'm not sure whether Captain is aware of this. However,

if he gave the order while being fully aware of it, and not only do we fail to complete the mission, but we return and ask them about this...

Stare...

You're the only one who can correctly interpret Captain's ramble.

Sigh...  
Let's hold off for now. I'll go and ask Captain.

We're counting on you, Rider!

If Captain pushes you off a cliff, we'll secretly prepare to catch you.

And if Captain wants to squash me with a rock, remember to pick the biggest, heaviest one and help him push it down.

No. No. If Captain finds out, I'll die an even more painful death. Please, just let me fall off the cliff.

*The Temple of War is one of the three dominant sects on the Continent. Their main base is in Moon Orchid, right next to Forgotten Echo. The pursuit of strength in its purest form is the central belief of the Temple, whose leader is the Son of the God of War.*

*How did Adair get mixed up with people from the Temple of War? I can't just go and ask him...*

You've got questions for me again, Captain Sun Knight?

Brother Storm.

Jasper?  
You mean the third son of Earl Ceylan?

Does the name *Alfiquare* ring a bell?

*The third son of Earl Ceylan. So that's who Jasper is! The guy I ordered Adair to beat the crap out of till he doesn't have the breath to repeat!*

Jasper:  
Ah, Jasper.  
I was wrong to suspect you. You're Jasper's son, aren't you? I should have known!

Brother Storm,  
Sun is truly grateful

One more  
question. Have  
you heard of  
anything about  
someone from  
the Temple of War  
paying a visit to  
Forgotten Echo?

*What does the coronation of the King of Forgotten Echo have to do with the Temple of War?*

*After all, Forgotten Echo is the central base of the Church of Light. The Temple of War has never been particularly influential here.*

*The people from the Temple of War only arrived yesterday, presumably to attend the coronation ceremony of the new king. They're residing in the quarters especially reserved for foreign ambassadors in the royal palace.*

*The Son of the God of War himself is here. Surely this courtyard is a bit too much.*

*The courtyard shown by the Temple of War is truly commendable.*

!!

*The Son of the God of War, leader of the Temple of War, is about the youngest of the Six Gods in the Church of Light.*

*Actually, he probably would not make me.*

*Contrary to the Temple of War, priests are never as violent as warriors, and the Son of the God of War, leader of the warrior-only sect, would not let his own church and balance be upset.*

## TEMPLE OF WAR

Son of the God of War

Warriors

Priests

*Therefore, the Son of the God of War coming over to Forgotten Echo is exactly as strange as me, and the Pope passing over to Moon Ordeal, the territory of the Temple of War, forgotten*

*And to be honest, the Judgement Knight could greatly undermine my command if he truly wanted to fight for control.*

*I may be the leader of the Holy Temple, but in fact, the Pope of the Light Temple holds more power than me.*

The Princess's maid-in-waiting's younger brother told me that when the Son of the God of War arrived in Forgotten Echo,

after meeting the King and the Crown Prince, he paid the Princess a visit. Also, the guys from the Temple of War came with a lot of luggage. A lot of extremely heavy and carefully guarded "luggage".

**Letter's Over**

"Luggage" More like ceremonial gifts. So the Son of the God of War is trying to propose to our Princess!

And Earl Ceylan must have something to do with this. His family seems to be quite involved with the people from the Temple of War...

**Captain**  
Our knight.

**Captain**  
Judgement Knight, what a pleasant evening.

**Wah!**

**Scream!**

Your  
Grace.

His Grace  
Bis. Pope has  
summoned  
you.

Sun denies  
not think that.  
"Respecting the  
elderly" is a basic  
principle that ev-  
eryone should  
adhere to.

You need  
not address me  
so reverently,  
Captain Sun  
Knight.

You are the  
leader of the  
Holy Temple. We  
are on equal  
standing.

You are  
eloquent as ever,  
Captain Sun  
Knight.

*Upon estimation,  
he is at least sixty  
years old, but he's using  
sorcery to retain his  
physical youth. My  
teacher does this too,  
but at least he has the  
decency to keep himself  
around thirty years old.  
This old geezer makes  
himself look like a  
fifteen year old kid.  
What a completely  
shameless pervert!*

*According to my  
teacher, back when  
he ran for the Sun  
Knight selection at  
the age of ten, the  
Pope was already  
like this. When he  
retired at the age  
of forty, the Pope  
was still like this!*

Why are we still fighting around our temples when the Temple of War is right on our doorstep?

Enough! We're alone, so let's cut the crap.

Hehehehe  
Hehehehe

And you are as young as ever, Your Grace.

You're a fine one to talk! The Crown Prince deliberately set me up to ring the bells of the God of Light when I was utterly oblivious. Don't tell me you were nothing about this beforehand.

Of course. I kept up our usual image that the Light Temple and the Holy Temple have a rocky relationship, and that the Pope and the Sun Knight are always at each other's throats...

Did you tell us if you were at odds with me and wanted to treat me when you talked to him?

And the Crown Prince is still brooding?

It's for your own good. The Crown Prince wasn't exactly pleased when you plotted against the King. If I didn't let him pull a prank on you to blow some steam, who knows how long you'd be angry. He's gonna hold a grudge against you for actually ring the bells of the God of Light. Great. Now the Crown Prince hates you even more of you.

Kicking that *Fat Pig* off the throne was a piece of cake, but with the Crown Prince's impeccable reputation, I don't see I can't do that.

That's different. He knows full well what his father's like.

You brought this on yourself. Deftening the King was a bit over the top.

You can't blame the Crown Prince for being worried that you'd de-throne him one day.

*So he asks the Temple of War for help? And even plans to marry off his sister to the Son of the God of War?*

You have a point, of course. But people are naturally suspicious. That's why he's determined to stamp down on the Church of Light.

If the Princess really marries the Son of the God of War, they will have a legitimate reason to spread their religion in Forgotten Echo.

Stop admiring him. Hurry up and think of something!

In  
doubt...

Not only can he weaken the position of the Church of Light, he can also gain many benefits from the Temple of War. On top of that, he manages to make Earl Ceylan the scapegoat. What a vicious, shameless scheme! As expected of someone working behind the scenes all these years, His Majesty the Crown Prince!

AAAAA!

And don't forget, strengthening our followers' faith is your duty as the leading billboard of the Church of Light. Not to mention the Crown Prince rides with the Temple of War to clomp down on us because of the potential threat that you present in the first place.

The younger generation these days are all energetic and reckless. They're no longer interested in the benevolence of the God of Light, or the religion of the God of War, which renders the strong, losers root here. They'll all become worshippers of the God of War in no time.

On the other hand, the reputation of the Church of Light, which has been doing effective damage control all these years, has risen to a historical height. Now that the Crown Prince is finally on the throne, he won't tolerate an influence stronger than himself within the country.

Humph!

The Crown Prince will clomp down on us sooner or later, regardless of what I do. The reputation of the royal family has gone down the drain in recent years thanks to the Fat Pig of a King.

I know.

But I want you to promise, no matter what I do this time, you won't interfere or try to stop me.

Whatever. Running the Church of Light is my job, making sure the worshippers follow the God of Light's laws is the Judgement Knight's job.

And strengthening the worshippers' faith in the 'Sun Knight's' most important job! That's why you have to fit this.

Dear!

*Things must be very grave for him to appear so readily...*

I've never even met him!

The Hell Knight's problem is none of my concern. You planted him into the royal family as it was when he was a kid, yeah?

Don't say that. He's still one of your Twelve Holy Knights. He was forced into being a spy in childhood. You can't just abandon him when he's in trouble, can you?

Oh yes! There's another matter.

You still remember the Hell Knight? He's got a tiny problem.

**Innocent...**

What's that...?

A gadget to survive Hell... Prove it and he'll know where and when to meet you.

It's called... Don't!

This damn old geezer... Making it sound as if I was the one who forced the Hell Knight into spying for the Church. It's you who *should* aim to die, woman! Don't lay the blame on me!

Damn old geezer! I told you, you can do whatever you like. You can kill all the priests in the Light Temple for all I care.

But never touch my Holy Knight!

If you ignore Hell, I'll have no choice but to eliminate him...

so the matter with hell?

Adair into ac-

The question  
is, why?*

**ED!**

Captain,  
Adair wasn't

Also, even though the God of War and clearly won the duel, he didn't stop attacking Rikku!

We wanted to give Rikku a hand but the warriors from the Temple of War stopped us...

Go on!

YES, SIR

*The Royal Knights are the subordinates of the Crown Prince, but the Temple of War is here to form an alliance with the Crown Prince, so why would they intervene?*

The Royal Knights saved Rikku?

And who is this Elshar?

Rikku, Thane, and Elshar stopped us.

If it weren't for the Royal Knights, Rikku would definitely have been killed.

Rumor has it that he has a thing with the Princess, and he is on friendly terms with the Queen. Even the Princess Consort (the Crown Prince's wife) praises him a lot, so the Crown Prince can do nothing about him.

Still, he is very competent and popular among the young knights, so even the Crown Prince has no choice but to rely on him a lot.

This flash sounds a lot like Storm...

Captain Eljan is the rising star of the younger Royal Knights.

But since his society lies with the Princess, the Crown Prince isn't too fond of him.

The hapless Crown Prince.

Since when has my Sun Squad become the Gossip Squad?

You guys are talking very well informed.

Yeah! And Captain, Eljan is Captain Storm Knight's male rival for this ladies in court! Captain Storm Knight hates him to the bone.

Captain, back when

Also, make sure you have enough sleep. Eat more eggs and meat. Drink more milk. Don't exert yourself too much.

Reid,  
I'm giving you a week of sick leave, but try not to leave the Holy Temple. The same order goes to the Sun Squad. Ask them to put on civilian clothes if they have to go out.

Yes, Captain.

These are all orders, so make sure you follow them to the letter.

Do you hear me?

CHILD...  
COULD YOU

He thought  
Sun could  
sympathize  
with your  
warm, warm  
entity, so he  
asked me to  
come in her  
place.

Mr Grace the  
Pope informed Sun  
that Captain Hell  
Knight was facing  
certain difficulties.  
Seeing us as my  
both holy  
Knights,

Down old  
gourmet! I know the  
only thing you'd hand  
over had to be a  
hot potato!!

I  
AM NOT  
CAPTAIN  
HELL  
KNIGHT.  
I'M JUST  
A ROYAL  
KNIGHT!!

mined!!

The Crown Prince may not like me personally, but he has never treated me unjustly.

I have two teachers, my Holy Knight teacher, who spent a year training me, and whose Pasha only saw over sleep, and my Royal Knight teacher, who mentored me for a whole decade before finally leaving.

Back when I was chosen as the Hell Knight, I received only one year of training in the Holy Temple. Then I spent twelve years being a Royal Knight serving the royal family.

*If you have no choice but to quit because the Pope's been mistreating you, I'm gonna get him alone!*

No. Please don't misunderstand. It's just that...

Why would you say that, Captain Hell Knight? Has the Church of Light done something so displeasing that forced you to relinquish the title of Captain Hell Knight?

And the Princess and I have been playmates since childhood.

Both the Queen and the Princess Consort doted on me.

On the contrary, I don't even know a single one of the Twelve Holy Knights in the Holy Temple!

All my comrades in the Royal Army grew up with me and we have been through hell and high water together...

No wonder  
that old goat  
wants to kill him  
off. A spy that  
has switched  
sides is the most  
dangerous  
thing.

Do... Do  
you understand,  
Sun Knight? I...  
I don't know the  
God of Light. I  
don't know the  
Holy Temple. I  
don't know the  
Twelve Holy  
Knights...

Quite the  
opposite, the  
royal family is  
where I truly belong.  
The Royal Knights  
are my real  
comrades.

And as  
you see, I have  
brought no one  
with me.

Please do  
not worry! As  
you know, I am  
not very skilled at  
handling a sword.  
There is absolutely  
no chance I could  
win against you  
should it come  
to a fight.

But she  
said she'd  
steal every-  
thing on the  
Church of Light  
if anything  
happened  
to me.

The  
Crown Prince  
doesn't know  
about this,  
but the  
Princess does. She  
won't give  
anything  
away.

*What a smart Princess! So Her Highness the Princess is also someone to reckon with. She even emphasized that she'd blame everything on the Church should anything happen to Heil.*

I should have known from the moment I saw you that the Church meant me no harm. I'm so sorry.

I don't mean to blurt you out, but the Princess said the Church might want to dispose of me... Ha ha! Now that I think about it, what a ridiculous idea! The Sun Knight would never do such horrid things.

Please give me some time to come up with a satisfactory solution.

Embarrassed

Even though I've decided to warn the royal family wholeheartedly from now on, I'll never do anything that endangers the Church.

Yes, I may not have spent a long time with my Holy Knight teacher, but he was very kind to me.

Red please don't speak of this to anyone else. Tifaga are going to turn sour between the Church and the royal family if this reaches the Crown Prince's ears.

I am sure that you, who are loyal to both parties, would never want this to happen.

*Still, letting him  
"room free" in  
the royal family  
is no less dan-  
gerous than  
burying a magic  
scroll that could  
explode any  
moment right  
under the  
Church.*

*Who  
knows when  
the Crown  
Prince will  
find out  
about this.*

*Heil won't say  
anything. It does  
him more harm  
than good if he  
gets exposed. It's  
extremely difficult  
for an ex-spy to  
regain people's  
trust.*

*What  
he's made  
it crystal  
clear. He  
won't be the  
Heil Knight  
anymore...  
What can  
I do?*

*But if  
I don't  
let him  
go...*

*Down  
old peasant  
thieving me  
to fix your  
awful maw.  
You dear me  
one, big  
time!*

*Heilman  
himself

**Heil Knight**

The Temple  
of War is here.  
That can only  
mean they're  
expanding their  
sphere of  
influence and  
attracting more  
followers.

And  
strengthening  
our followers  
falls to your  
duty..

CHUCKLE...

REVENGE!!!

How  
soon?

You still  
have the time  
to apply facial  
masks, right?  
You dealing  
with a lot of  
trouble?

IS THE  
PURK MASK  
REALLY THAT  
GROSS?

?

Fine.  
Discard this  
with me, so I  
won't fall  
asleep!

I can't!  
I still  
have many  
convicts to interro-  
gate.

I know I'm  
pondering this  
while applying  
the mask.

I think  
you'll only  
end up fall-  
ing asleep.

...Judge  
better  
me  
the  
next

I'm only  
here to bring you  
Frost's blueberry-  
flavored chocolate. It  
tells you to keep this  
pouch with you so  
you won't starve.

Hey!

Oh Frost!  
You'd really  
make a perfect  
wife and mother.  
I'd definitely  
marry you if  
you were a  
woman!

It  
says so  
the  
book

So?

Deep in  
thought...

THE SON  
OF THE  
GOD OF  
WAR  
TRIED  
TO KILL  
ADAIR!

Ze

Deep in  
thought...

What can  
you deduce  
from this?

The Temple  
of War even  
tried to stop the  
Sun Squad from  
saving him, so  
this and Aclair  
only came out  
alive because of  
a royal knight  
called Apsara.

Occupational  
hazard!

His brain  
kicks into  
full gear  
the moment  
he hears a  
mystery.

GRISIA  
SUN!!

One  
possibility  
comes to  
mind...

Wake  
up!

Shut  
up!

The  
Resurrection  
Spell? How  
would they  
know about  
it?

Sis Pindy

I suspect  
the matter  
behind their  
attempt to  
murder Fair  
has something  
to do with your  
mastery of the  
Resurrection  
Spell.

The Church  
of Light and the  
Temple of War are  
practically right  
next to each other.  
It's not surprising  
if they have planted  
a few spies  
among us.

.....

?

Indeed, until late  
now we  
planted  
Mell within  
the royal  
family.

I think they  
were trying to  
make sure whether  
you were really able  
to cast the Resur-  
rection Spell. After  
all, you haven't  
really tried it  
before.

Re-  
surrec-  
tion?

That's  
impossible!  
There are a lot  
of restric-  
tions when  
casting the  
Resurrection  
Spell.

...If you had  
learned the spell  
earlier, you could  
have saved your  
deceased friend  
Roland.

Then there is the probability of failed resurrections. Resurrection demands a price. Had my words if you can help it, don't ever let me cast the Resurrection Spell on you.

Because I really can't guarantee whether you'd come back with a pair of horns or bouqs or something even worse...

ENOUGH!

This Resurrection Spell sounds highly undesirable indeed.

Exactly! If resurrection were child's play, who would fear death?

### Prerequisites for Casting the Resurrection Spell

1. The spell must be cast within eight hours of death.
2. The deceased be intact.
3. The soul has yet to be imprisoned in Holy Light.

The difference is, the former requires the spell to be cast "within eight hours of death", while the latter can only be done if the spell is cast "at least eight hours after death"

In many ways, reviving the dead and creating an undead creature are the same kind of sorcery.

CHUUP!

The resurrected body would be just a hollow shell, so it's not worth casting. It would be a waste of time and effort, and it's definitely de-constructed or will be de-constructed.

The Resurrection Spell uses an intact body as a mold for the eight-hour deadline has expired.

CHUUP!

By the way, undead creatures don't usually get nervous because they're not the bodies with personalities. They also control the corpses' bodies so the undead creatures will be obedient puppets.

In any case, the Temple of War is obviously worried that our followers will no longer have to fear death now that you've mastered the Resurrection Spell.

You will certainly attract leaders from different countries to convert to worshipping The God of Light.

Completely resurrect?

Meaning a successful resurrection without any side effects.

My probability of completely resurrecting a person is about 25%. That's high enough to exceed the old god, Anubis, on hell.

You know, the Pope actually knows how to cast the Resurrection Spell as well. It's just that his probability of complete resurrection is extremely low - so low that it's almost nonexistent.

He said that was the highest probability of complete resurrection in the last five hundred years.

You're right.

But even I wasn't aware of the numerous shortcomings of the Resurrection Spell. How would you expect the Temple of War to know that?

That's a misconception. The Resurrection Spell doesn't actually work on people who die of old age or otherwise. If you revived someone who dies of old age, that person would just die again right away.

And if you revived someone who dies of disease, the person's sickness wouldn't be cured, so he or she would just die again. If you're that afraid of being assassinated or contracting diseases, hiring a dozen of powerful knights, priests and physicians is definitely more effective than relying on the Resurrection Spell.

As for Elijah saving Adair, I believe he acted out of his genuine sense of justice due to his honorable reputation.

How should I let the people know that the Resurrection Spell isn't really that handy?

I'll be here to, otherwise one day when some beggar dies, everyone is gonna rush onto my doorstep begging me to resurrect him, and I'll never enjoy a single day of peace for the rest of my life.

So the Temple of War tried to kill Adair to find out if I've truly mastered the Resurrection Spell.

However...

Adair

You were almost Elixir?

Elijah is very popular among the Royal Knights, and his social network is quite impressive. He knows a lot of Holy Knights. Come to think of it,

So the Crown Prince and I are having a major fallout, while our subordinates are off carrying up to each other.

Disgraced!

Why would my Sun Squad let me directly with the Royal Knights? What's wrong with Adair?

Your Sun Squad is very friendly with Elijah, so it's not surprising why he would help Adair out of a tight spot.

Adair is very obedient. He's reacting as you told him to. As a Captain, you should at least carry out the responsibilities that are yours to begin with when he's recuperating!

Ack!

What now? I'm not gonna bother him.

Sure...

All right, all right! I'll ask around then.

And I got another... my brother... he's saying that he has the location of your...

You haven't washed your face...

Sure, tomorrow's morning and I can't find a good place to leave the body behind. Or is he already dead?

Captain! Do we have to keep looking for him or not?

WITHOUT ADMIET I DON'T EVEN KNOW THE WHEREABOUTS OF MY SON. SOUND IS WITH-OUT ADMIET SOUND!

*I was the only one who had seen captain... and I never showed him properly.*

*I only realized how valuable he was after I lost him...*

**Stark**

WE'RE  
NOT CONSPIRING  
CAPTAIN! WE  
KNEW ELIJAH  
BECAUSE WE  
ONCE MISTOOK  
HIM FOR A  
TARGET WE HAD  
TO PUNISH.

"Speaking of  
Elijah, you guys  
know him very well,  
right? Being that Fat  
Pig of a King's huge  
men gave me enough  
of a headache, I'd  
never say I don't find  
him appealing. I think  
so the Crown Prince's,  
and you guys are  
having fun! How dare  
you conspire with the  
subordinates of my  
enemy behind my  
back?!"

CAP. CAPTAIN WE'RE  
WEARING CIVILIAN  
CLOTHES. THIS. THIS  
IS THE FIRST TIME  
WE LEFT THE HOLY  
TEMPLE IN THE LAST  
FEW DAYS. WE ONLY  
CAME OUT BECAUSE  
WE HAD TO TREAT  
ELIJAH TO A DRINK  
TO THA. THANK HIM  
FOR SAVING ADAM.

IF I WERE  
THE ONE YOU  
BEAT UP BY  
MISTAKE, THEN  
I ASSURE YOU,  
THAT WOULD BE  
YOUR FIRST AND  
LAST MISTAKE!

"That was the first  
time we  
ganged up  
on a guy.  
Captain's life  
is all about  
mistakes, right?"

YOU  
COULDN'T  
EVEN BEAT  
UP THE FIGHT  
WY. HOW THE  
HELL DID  
YOU GIVE  
MESSAGE  
TO JOIN  
THE DARK  
ARMY?

So...  
so we treated  
him wounds  
and treated  
him to a  
drink, as an  
apology.

We only  
realized we  
had the  
wrong guy  
after giving  
him a good  
beating.

You have such many types, shiny teeth, creamy milk...

How would we ever best you up by releasing you, Captain? You are such a brilliant person that even God is jealous of you!

You sparkle so brightly that you outshine a mountain of gold.

And an  
exciting  
long winter  
that put  
you in  
a state of  
change...

**SHUT  
UP!**

WHAT  
KIND OF  
RELATIONS  
ARE THERE?  
YOU SURE OF  
GOOD-FOUR  
NOTHING  
BUT OF

*If I never  
had really  
lost back  
then, I  
would have  
had no  
choice but  
to wait the  
Resurrection  
on Spaul  
on Ave.*

“We can  
not mess  
up with  
English money.  
Capitalist?”  
“We’re run-  
ning a bit  
late...”

*It seems that this English really saved Adam out of himself and had no ulterior motives. In that case, as a Captain, I should probably go and thank him in person.*

KILLS!

See...

THAT  
DON'T  
SEEM LIKE  
A MAN.  
NOT I  
DON'T SAY  
ANYTHING.

What? That's stupid.

Oh, Captain, so you know about this too.

My friend said that the king was going to die.

Let's look at the evidence-looking target, and then to the king's side.

I didn't really mean that, Captain. I swear...

I would have believed you if you hadn't said anything...

Don't be such a prick! Huh, let me introduce you to someone.

Ha ha ha

God knows who's thinking about.

Not really! I've only been waiting for half an hour. That's much shorter than what I've used to.

THE WELL KNIGHT THAT WANTS TO GOAT?

Captain, this is Gosh.

This is our captain, the well knight.

!!!

What?

My  
apologies.  
I was a bit  
stunned  
by your  
brilliance.

Hi~hello.  
Nice to meet  
you too, this  
night.

Waku Waku.  
A pleasure  
to meet you  
at last.

No~no~  
secret  
princess?

Of course! I see that  
crown in the  
central  
palace in  
the royal  
palace!

The  
crown here  
are very  
beautiful.  
No one will  
have as  
soon as  
you!

What?  
I mean,  
I'm not a

Q: Anime Dream (Taiwan)

Could Yuna sense tell us how she ranks the handsome men in her cast?

Yuna: My answer may be a little bit biased... Take Guren and Lasee as an example. Theoretically, Guren is more handsome, but Lasee is more of my cup of tea, so I... L... Oh fine. I'll rank them all objectively [cruel]

[H-long-er] The Devil is actually quite scary to most people so I've gonna put him in a different category!

Neko: Kuso-senpai,

I love your drawing style! Your work is brilliant! Keep it up! And I have a question! Will Sun tie up his hair in the manga? (I'm kinda into it to it... >w>)

Neko: Thanku! I put his hair in a ponytail for a new look. Do you like the blue ribbon? XD

Q: BanBunMan'u (Singapore)

Hallo, could you please send more manga souvenir kits? Many of us want to buy them but they don't sell at here >w<!

Even if you can't cover more of those, could you offer overseas shipping? I really, really want them! I adore LSK!

Yuna: This depends on the publisher in Taiwan. Their biggest difficulty seems to be the shipping charges...

Q: Mist (Taiwan)

"Legend of the Sun Knight" is awesome! The manga fully captures Sun's elegance in the novel...

I cracked up really hard when Sun was applying a facial mask--- I wonder what was in Nekosensei's mind when she drew that scene!

Neko: ... Bwaha!

Q: Si Si (Malaysia)

I want to ask, why don't you sell the manga souvenir kits in Malaysia? (I want it really badly TT)

I want to buy LSK merchandise---

Yuna: We're working on it. >w< Please be patient.

Q11 Sanja (Malaysia)

What is the Storm Knight's preferred fighting style? (I don't read him being married, only good at anything, and he carries no weapon in the character illustrations. Maybe he's good at martial arts?)  
Yusuf: It's his legs. It is mentioned in later volumes of the novels that he wears a pair of leg armor and he attacks by swinging powerful kicks. Of course, he uses other weapons such as daggers to complement his leg work.

Alisa, Duan (LSK Mailbox) accept fan art! ^.^

Edison: Do send us your work through email ^.^

Q12 Paddling Ying (Malaysia)

I hear Storm can only leave his paperwork and go on holiday on his birthday, so when is his birthday? And has natural hair color is...? (Thanks for answering!) In ~

Yusuf: I don't usually ask birthdays for my characters because I can't remember them myself. But I'll try to list more character details in my other books to satisfy readers' curiosity— The truth is— Storm can't remember his own natural hair color!!!

Q13 Blood Princess (Hong Kong)

Nike: Krazz-senad ♥ I was already your fan back when you were O.S. Rabbit Card. There are a few questions I'd like to ask you!

1. What is your favorite character in LSK?

2. The costume designs are gorgeous! How did you come up with them?

Nike: I like many of them... Judge, Frost, Sun, Cloud, etc. But my favorite is Rufand—

Always so serious and spaced out (haha)

About the costumes, first I took note of any mentions of their features in the novels, then I experimented with different color combinations and styles. ~

Q14 Monster (Malaysia)

Hi! The Sun Academy (Elementary Section) in Chapter 10 of *Legend of the Holy Knights* is a wonder suit in the optical thing near 2-V's. I've read the novels, but the attention paid to the details in the manga is really breathtaking. My wholehearted support goes to you, Nike Krazz-senad. Keep it up!

My question is: What other styles does senad want to draw the Holy Knights in?

Nike: The change of style is actually Lily God's idea XD

Here... I kinda want to draw them in gothic costumes ♥

Q15 Starry Back (Hualien, Taiwan)

What clothes do Judge, Sun and Yusuf wear sleep in?

Yusuf: Here is a side story called "A Visitor's Diary on Laves" on my blog:

<http://www.wretch.cc/blog/kmzpl/taughpaoled>

Judge sleeps in a flat short-sleeved top and shorts (in summer)

Sun prefers white shorts, and he sleeps topless in hot summer nights

As for me, it depends on the weather. T-shirt and shorts if it's warm, tank top and shorts if it's hot (But why are you asking me that?)

\* The stories in Chinese. No translations are currently available, but Ku-chun can translate this if anyone is interested (it's for free) ~

Q16 Wangting (Malaysia)

Hi! I have a really short question. My friends of heart are all right, please answer them as soon as you can, thank you!

My brother Judge. Keep it up! ^.^

Nike: Thank you ♥ I love them too ^.^

Q17 Princessama (Taiwan)

Among the Twelve Holy Knights, who is the most afraid of cockroaches?

Yusuf: Nobody is afraid of cockroaches! You may not see it from the novels, but they are, after all, knights that are fully capable of killing people! The Judge and Knight's sword, in particular, often comes across dead bodies (during their investigations) so they've seen all sorts of rotten stuff. Cockroaches don't scare them!

This editorial has especially invited Koko Kuroi-sensei and Yume-sensei to answer your questions concerning "Legend of the Sun Knight". Please feel free to email or write to us. Be sure to state your nickname and location in your mail!

Q: Xi Ying (IT)

Will Neko Kuroi-sensei team up with Yume-sensei again about "Legend of the Sun Knight"? (Will Yume-sensei's other novels be adapted into manga?)

Yume: It's a bit too early to ask these questions, seeing that LSK will go on for a long time! And then there'll be side stories! It took long enough for Neko Kuroi-sensei to draw this volume. Can't know when she'll be able to start on the next one (jokes at Neko Kuroi-sensei).

Neko: Please let me continue if you don't mind my super low drawing speed... (gaze hit)

Q: Xi Yu (Malaysia)

How many volumes will there be in total by the time Neko-sensei finishes the whole series?

Neko: Since each volume of novel takes 2-3 volumes of manga to cover, there should be about 14 if I draw them all! XD

Q: Ye Shan (Taiwan)

I'd like to ask, how come Blame is so mature in the manga?

I love the Blame in the novels because he's really adorable. The one in the manga is nice too, but it just feels like he has grown up all of a sudden— I'm not saying it's bad. I suppose it can be seen as a differentiation between the novels and the manga, but I was really shocked the first time I saw him in the manga. It took me a long time to get used to him... A cute shirt is suddenly a grown man (sweat face).

Yume: But Blame is actually the burly type in the novels, so the manga version is accurate!

Neko: He's like a giant dog in the books... all tall and rough, so I toned him down a bit. ^-^

Q: Ning Yui (Hong Kong)

What are the favourite foods of the Twelve Holy Knights? We only know Sun loves eating blueberries and sweet things.

Sunny: Eggs. I can use them to treat my swollen eyes too.

Leaf: Seasoned food.

Blaze: Meat. Especially barbecued meat.

Cloud: Fruit juice.

Earth: Bacon.

Judgement: I have no special preference.

Fire: Bread.

Moon: Lunchboxes prepared by my girlfriend.

Rain: I like everything as long as it's tasty.

Metal: Flog me.

Hall: I do not require sustenance.

Q: Pui Wan (Taiwan)

Isn't Pink a corpse? Can she actually taste strawberry-flavored food?

Yume: She likes eating strawberry-flavored because of the way feeling. She can taste something if someone says strawberry is very delicious and really delicious.

## Neko Kreuz Postscript

Hello~ I'm Neko Kreuz.

The fourth volume of "Legend of the Five Knight" minibus is finally out after a while year!

I'll keep working on it!! In the coming year, I want to finish volume 2 of the novel!! ~~haha~~ ~ N~!

Apart from the new designs for Five Arch, Judge, the lovely Clock, Mami, Moon and Rock have finally made their debut!! We'll probably have the full set in the next volume... I left off a lot of stuff in the first part!! I really wanted to draw them, but it would be too long... N, so I started drawing fourtoids in this volume. They will mostly cover the jump bits from the novels that can't make it to the minibus. ♡ I hope they'll convey the humor. Do you like them? N~!

I started drawing digital art for the first time! It didn't work well at first, but I slowly got used to it. Too simple, maybe... Sorry about that / \_ \ (how)

The column's illustrations were also painted in a different style. From now on I'll be using a softer palette. I hope you'll like it!!! N~!

Thanks everyone for supporting the minibus adaptation of "Legend of the Five Knight"~ Please feel free to give me feedback on Facebook. N~ ♡
